

## **Golf Lesson Packages for this Winter!**

Pat O'Donnell, our PGA Teaching Professional, is excited to offer indoor lesson packages for the 2020 winter months. During the winter chill is the ideal time to make a few tweaks to your swing to improve your game for next season. It's also a perfect method to keep you limbered up through the winter.

### **Great News**

Pat's lessons will be taught with the use of a Golf Simulator that provides instant feedback on each and every swing. Click here [Foresightsports](#).

This state-of-the-art simulator measures all critical ball and club parameters such as: ball speed, swing path, clubhead speed, face angle at impact, distance, spin, and spin axis with tremendous accuracy. It also has several skill drills to sharpen up your short game. With this immediate feedback of accurate data along with Pat's advice, you can elevate your game to a whole new level – **NO MORE GUESSING!**

Choose a time, day, and month that works for you and let's get started to reduce your handicap! You will be able to book the same time each week if you like as it's entirely up to you. Pat is very flexible and can accommodate your schedule, so what are you waiting for – let's get going!

We also recommend a Club Assessment to ensure the equipment you have is properly suited for your game. Pat can help you with all aspects of your game!
