

MEN'S SENIOR SENTINELS LEAGUE 2020

Your committee extends a welcome back to all current league members and an invitation to prospective new members.

Any club member, 55 or older, is eligible to join the Senior Sentinels, to participate in regularly scheduled events, offering a wide range of prizes, every Wednesday and Friday from the beginning of May to the end of September. Also included in the membership fee is a prepaid opening day breakfast and a closing day luncheon.

Members are encouraged to play from the tees that will enable them to enjoy the game. The final decision will rest with the committee, in consultation with the member.
