Cart Tek E-Caddy GRi-1500Li V2

2019
MODEL!

SAVE \$100!

DEMO

The GRi-1500Li has been Cart Tek's #1 selling motorized golf caddy since 2015 and is one of the best golf caddies in the industry! They've taken a good cart and vastly improved every aspect. Featuring a brand new remote control with a wireless pairing function, improved upon ergonomics, and completely redesigned wheels with billet aluminum hubs! Not only does the sleek design of this motorized golf caddy hide both motors inside the axle tube, but it also provides extra protection against the elements. The use of precision welded, aviation-grade 6061 aluminum creates the most rugged aluminum cart frame in the market. The Cart Tek GRi-1500Li makes use of efficient 24v high-torque motors, as well as a 10.4 Amp Hour Lithium-Ion battery that lasts up to 36 holes depending on your course.

FEATURES:

- Newly designed, programmable remote control with wireless pairing and Magnetic Mount.
- Four factory speed settings, or program your own
- Adjustable turning force and electronic tracking
- Dual high torque motors and enclosed gearbox
- Lightweight frame: 21 lbs!
- Fully Adjustable handle: 37.5" when level, 46" max height
- 24 Volt, 10 Ah Lithium-Ion battery weighing only 3.5 pounds
- Two Year Limited Warranty on Battery
- Battery rated at 500 + charging cycles
- Comes with 24v Lithium-Ion battery charger
- Weatherproof ECU housing for use in wet conditions
- Quick transition to Free-Wheel Mode
- Powder Coated frame
